Note to Mister Lars Schmidt

BAREFOOT

Beginning tomorrow we'll be able to join B.-L. Deutsch in Dauville, because I want there to be a conversation between you beforehand.

Hopefully, we'll get a response from Françoise Dorleac for Wednesday.

If the answer is negative, we would then have to find a partner in Pierre Cassel, decidedly hot for the role, and who seems to me to be a better choice than Claude Riche.

Decor

Mondv is well along in his negotiations with the decoration team from the newspaper Elle. He'll talk to us about it this evening at 6 pm.

No other problems for the moment
